

take care  
purify your air

## AirGenius 3 air cleaner/odor reducer

### Superior Performance

- Captures up to **99.9%** of microscopic particles such as mold spores, pollen, dust, smoke and pet dander as small as 0.3 microns<sup>1</sup>
- Freshens the air by absorbing odors
- Helps reduce certain household VOC's & airborne gases<sup>1</sup>
- Circulates room air 5 times an hour<sup>2</sup>

### Easy to Clean

- Permanent primary filter - simply rinse in water to clean
- Includes 2 pre-filters to choose from: permanent or odor & gas reducing

### Smart Controls Do the Thinking for You

- 3 air cleaning levels with guidance on which setting is optimal to address your need
- Filter indicator light tells you when to clean it
- Oscillation
- Easy touch button controls with blue LED lights

### Quiet Operation

### ENERGY STAR® Rated

- Uses about the same amount of energy as a light bulb

### Contemporary Design

### 5 Year Limited Warranty

HFD300

air purifier

HFD300

Independently Tested.  
Consumer Trusted.

<sup>1</sup> From the air that passes through the filter.    <sup>2</sup> Based on AHAM smoke CADR rating in recommended room size. Air circulation depends on many factors – there's no guarantee that all the air in the room will pass through the filter.

<sup>3</sup> Independently tested through AHAM Verifide™ program to perform according to manufacturers claim for reduction of smoke, dust & pollen in recommended room size.

*This product earned the ENERGY STAR by meeting strict energy efficient guidelines set by the US EPA. US EPA does not endorse any manufacturer claims of healthier indoor air from the use of this product.*
